MiFID II product governance / Professional investors and eligible counterparties only target market – Solely for the purposes of [the/each] manufacturer's product approval process, the target market assessment in respect of the Covered Bonds has led to the conclusion that: (i) the target market for the Covered Bonds is eligible counterparties and professional clients only, each as defined in [MiFID II/Directive 2014/65/EU (as amended) (**MiFID II**)]; and (ii) all channels for distribution of the Covered Bonds to eligible counterparties and professional clients are appropriate. [*Details of any negative target market to be included if applicable*]. Any person subsequently offering, selling or recommending the Covered Bonds (a **distributor**) should take into consideration the manufacturer['s/s'] target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Covered Bonds (by either adopting or refining the manufacturer/s' target market assessment) and determining appropriate distribution channels.
